

BECOME A CORPORATE MEMBER

The Public Sector Sustainability Association (PSSA) provides a professional association and network for all those working in the Public Sector who have a common interest in sustainability. The aim of the association is to bring together a wide group of people working across all areas of the Public Sector – to help educate, train, support and connect as we work towards a more sustainable future.

Corporate membership of the Public Sector Sustainability Association is available to any private sector organisation wishing to reach committed and influential sustainability professionals in Government, Local Authorities, NHS, Education and Housing Associations.
