

BECOME A CORPORATE MEMBER OF THE PSSA

The Public Sector Sustainability Association (PSSA) provides a professional association and network for all those working in the Public Sector who have a common interest in sustainability. The aim of the association is to bring together a wide group of people working across all areas of the Public Sector – to help educate, train, support and connect as we work towards a more sustainable future.

Becoming a Corporate Member of the Public Sector Sustainability Association highlights your organisations commitment to sustainability and offers a unique platform to reach our membership of committed and influential sustainability professionals in Government, Local Authorities, NHS, Education and Housing Associations. The PSSA offers a single level of Corporate Membership, providing a fantastic opportunity to gain recognition and exposure with our Public Sector membership.
